## Chinese New Year's Eve Night at the Poon Saan Club

The Poon Saan Club hosted a large crowd on the eve of Chinese New Year, Sunday 7th February 2016.

The beating of the drums and the sound of the music filled the air as the Lion Dance opened the night with a spectacular show. Ang Pows were given to the children and singles after the Lion finished their performance.

Lucky Ho provided a beautiful buffet dinner, and the Ang Pow Raffle was drawn, with many happy winners receiving a red envelope with money.

The night continued until late with many staying on, enjoying each other's company and celebrating the opening of Chinese New Year.
