Machinery Movements at Drumsite

Commencing on the morning of Thursday, 15th of March, the machinery which has commonly been named the Drumsite Museum will be shifted to another location away from the public eye. This move has been necessitated by the need to construct a new alignment of the affected section of Murray Road.

Heavy cranes and trucks will be present at this site for up to two weeks and the general public are to observe that the footpath between Sung Miaw Low and Golden Bosun Road will be closed to users during the hours of 7.00am and 4.00pm. The shift will be actioned under the supervision of CIP and will travel to the Shire Tip-Site via CIP workshop.

The Shire regrets any inconvenience this work may cause and hopes for the full co-operation of the general public to assist in the success of this project.

For further information please contact the **Manager Works and Services Mr Terry Clarke** on 9164 8300 (ext. 230). Mob: 0439 215 306
