CELEBRATING 2017 SENIORS WEEK

At the Ordinary Meeting of Council held on Tuesday 18 April 2017, Council resolved to conduct Seniors Week on Christmas Island from **17-23 July 2017**.

The Shire of Christmas Island has been promoting Seniors Week on the Island since 1999. This annual event, now in its nineteenth (19th) year, is only possible with the support of individuals, business groups and community organisations.

Seniors Week celebrates the contribution that older people have made to the community.

Seniors Week on Christmas Island also promotes a positive understanding of ageing in our community, encourages seniors to enjoy an active and healthy lifestyle, and facilitates the involvement of community groups and organisations in presenting activities for seniors.

The Shire of Christmas Island is inviting sponsorship from business groups, community organisations and interested individuals to assist in presenting this meaningful event. The generosity of past sponsors has ensured that our seniors enjoy the week's activities. It is hoped that many groups and individuals previously involved will continue to contribute through in-kind support, activities or donation.

For sponsorship and further information about the 2017 Seniors Week, please contact Council's Manager Community Services, Mr Chew Boon Beng on 9164 8300 ext 233, mobile telephone 0439215304 or email chew@shire.gov.cx
