**Clean up Christmas Island for 60th Celebrations
Community Meeting to discuss Clean-up of Christmas Island**

A community meeting will be held at **4pm** on **30 April 2018** at the Shire's meeting room at the George Fam Centre Murray Road.

The purpose of the meeting is to discuss collective ways in which the Shire, the Administration, Community Groups, Businesses and individual community members can participate in projects to clean up Christmas Island in the lead up to 60th celebrations.

This may identify projects in the Poon Saan, Drumsite, Kampong and Settlement sites, together with forest tracks and beaches which we can all collectively contribute to.

Working together in a collective and targeted approach will enable us to make a vast difference to the Island in both the way visitors see our wonderful Island and how we see ourselves on the island.

I would encourage community members to attend and participate in this important meeting.
