

**SHIRE OF CHRISTMAS ISLAND  
PUBLIC NOTICE**

---

**09/18**

**17 April 2018**

---

**TOWNSHIP RE-SEALS**

Throughout the months of April and May 2018, re-seals will be carried out on the following streets in Silver City and Poon Saan:

1. Jalan Perak
2. Lower Poon Saan Road
3. Poon Saan Road (section only)

This program of re-sealing was originally planned to be carried out in January, but because of inclement weather, and interruptions with supply, will now be carried out this month, April.

The Shire is requesting residents occupying parking space on these roads to co-operate with the sealing crew which will be coordinated by **Seet Khun Wah**, this means that alternative parking needs to be selected by the residents for the short time the sealing operation is in progress.

Any inconvenience to residents will be kept to a minimum and the Shire of Christmas Island apologises for any occurrence, if any, of this scenario. For further information please contact the **Manager Works and Services, Mr. Terry Clarke** on 9164 8300 (ext. 230). Mob: 0439 215 306

**David Price**  
**Chief Executive Officer**
