

**SHIRE OF CHRISTMAS ISLAND  
PUBLIC NOTICE**

---

**10/17**

**3 May 2017**

---

**ROAD WORKS  
PUBLIC INFORMATION NOTICE ONLY**

**The section of Poon Saan Road from the Hardware Store to block 569 access**

The previous arrangement where this section of Poon Saan Road was a one way only, has now been changed, to suit changing trends in its usage. This section of road has now been altered to allow two-way traffic. The old traffic island has been removed and appropriate signage has been erected to indicate to road users the situation.

The decision to make this change was put forward to the general public via public notices in 2015/16 with a response in favour of making the changes the final result. The Shire anticipates the changes will improve the flow of traffic in this area, and appreciates the co-operation of road users.

For further information please contact the Manager Works & Services Department, Mr Terry Clarke on 9164 8300 ext. 230 or Mobile on 0439 215 306.

David Price  
**Chief Executive Officer**
